E.W. Adams  
General Patent Attorney  
Bell Laboratories  
New York, N.Y.

Dear Mr. Adams:

Prior to my demonstration on March 16th, I wrote you a letter, dated March 8th, to which I would at this time call your attention. I ask you to note particularly the last paragraph in the letter to which I refer; and even more especially the last sentence in that paragraph.

Very sincerely yours,

J.F. Byrne
