Dear Mr. Smith:

I intend leaving tonight (Sunday, March 21st) for Alameda by train. I do not know exactly when I shall arrive there, because I intend to stop off for a night at Chicago, and possibly some other place. But I do feel pretty sure I shall be in Alameda by the end of the week, and after I have had a couple of days to recuperate I will get in touch with you from Alameda.

Yours very cordially,

J.F. Byrne
